Bid Proposal

You are invited to submit a proposal for our project:

If you intend to respond to the RFP, a letter of intent, which is not binding but will greatly assist planning for proposal evaluation. The proposal should be submitted in writing, by fax or by e-mail and received not later than _____. Your proposal will not be accepted if you do not complete the letter of intent within the specified time period.

The provider whose proposal is the best solution for our project will be accepted. We will notify all providers, whether they are disqualified, rejected, or unsuccessful although responsive.

Your contact person for this project will be _____.

Thank you for your time, effort, and interest in our project.
